May I use containers I already have in addition to my carts? Yes, however the poly cart provided by Public Works should be the primary refuse container. **Note** Public Work will ONLY be responsible for damage to their poly carts.

What other containers can I use? City refuse ordinance allows for a 32 gallon can or less with proper handles & light lifting lid. Garbage bags must be 40 gallons or less. Any container with a mechanical lifting device T and a proper fitting lid without other commercial logos may be utilized if Public Works considers this suitable but will not be responsible for damages.

What are the limits for additional containers? Four additional containers plus poly cart provided by Public Works. During yard waste season, March thru December (4) bags of grass & up to (15) bags of leaves, under 40 gallons, will be collected at no additional charge.

What if I have bulky items or exceed container limits? Contact Public Works @ 238-7142 and arrange for a special pickup. Special Pickups must be called in to Public Works by 1 PM the day before your regularly scheduled pick up day.

Will there be a fee for a special pickup ? Yes.

What will constitute a special pickup for fee? Items outside cart that are a 4 X 4 area (in addition to regular 4 containers) are considered one item. \$15 per item. If the item exceeds 72 inches in length, and/or 18 inches in diameter, or larger than 50 pounds in weight, item removal fee will be \$30 each.

Is there anything that cannot be placed in a cart? Items that are not accepted in the cart include hot ashes, tires, building materials, batteries, paints, oil, solvents or other flammable liquids such as fuel. Dead animals, dirt, sand, rocks, needles, hazardous materials or extremely heavy objects should not be placed in cart. Cart lid must close with no items protruding to be emptied.

How do I get an additional cart? Call Customer Service @ 238-3103 or Public Works at 238-7142

Who owns the cart? The carts are the property of City of Junction City but you can write your address under the lid.

Who is responsible for cleaning the cart & how it is cleaned? The customer is responsible for cleaning the cart. Soap & hot water easily cleans the cart.

What if I do not have a cart? Contact Public Works @ 238-7142.

What if the cart is broken? Public Works should be contacted as soon as possible. The damage will be examined. If damage is due to normal use, the cart will be repaired / replaced. If the damage is from misuse by the customer charges will be assessed.

What if the cart is lost or stolen? The customer will be responsible for paying for the lost or stolen cart before Public Works provides a new poly cart for their use. You have a serial number located on the front of the cart you can also put your address under the lid.

What do I do with the cart when I move? The cart belongs to the City and will stay at the property when you move. It is the property owner, or management company's, responsibility to secure the cart between tenants.

Are there accommodations for the elderly or disabled? Yes, and this is reviewed on a case-by-case basis. Please contact Public Works at 785-238-7142.
