NOW, THEREFORE, BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF JUNCTION CITY, KANSAS, THAT:

Section 1. The following described property is hereby granted an amended Special Use Permit to allow the establishment of a vehicle storage lot at his property located at 220 and 224 East 2nd Street, Junction City, Kansas, subject to the conditions and restrictions listed herein:

At no time shall the lot be used for the storage of other equipment, disabled vehicles that are not being repaired, disabled vehicles that are being salvaged, or storage of other vehicles or equipment for any reason; and,
- D. The parking and/or storage of disabled vehicles, or vehicles awaiting repairs, on the streets in the area of the business; especially on Franklin Street, East 2nd Street and East 3rd Street, shall not occur. The creation of this lot for the parking and/or storage of these vehicles is approved in order to remove the on-street parking and/or storage problems created by this business; and,

- E. A specific plan for security lighting is to be submitted and approved by the Code Enforcement staff in conformance with the standards of the City ordinances; specifically with arrangements to preclude glare or other impediments to the residential neighborhood; and,
- F. No business signs be permitted; and,
- G. Ingress and egress driveways from 2nd Street shall be constructed to City Code; and,
- H. The security fencing shall be constructed so no open space exists between the bottom of the fence and the ground; and,
- I. All fencing, the installation of the driveway entrance onto Second Street, and the surfacing of the lot to the standards noted above shall be completed no later than December 31, 2014; and,
- J. Failure to meet the completion deadline of December 31, 2014, shall result in this Special Use Permit being declared null and void without further notice or hearing; and,
- K. If the applicant fails to comply and this Special Use Permit is voided as noted above, the applicant shall be prohibited to apply for another Special Use Permit for this type of use for this or any other property he owns for at least one year.
