

Effective August 19, 2015

Cost of sanitation service is \$17.57 per month

- Collection from customers is once a week Monday thru Friday.
- Only items placed in a receptacle, that meets City code, will be collected.
- Items must be stacked neatly, bagged, or tied in bundles.
- A licensed service technician must tag items that contain Freon.

Restricted Items

(Will not be picked up)

- Tires, paint, explosives, combustibles, flammables.
- Appliances containing Freon (unless removed by licensed technician).
- Items longer than 6 feet; unbundled brush or limbs.
- Commercial building materials; concrete, rocks, roofing waste.
- Any item that two people cannot easily lift.

Special Pick-ups

- Items that cannot wait until regular pick up days.
- Oversized Items.

Contact Public works for Special Pickup and Rates.

785-238-7142

Ordinance Rules

- Garbage and containers should be placed at the curb or alley no sooner than 24 hours from 6:30am on customer's collection day.
- Garbage and containers should be removed from the curb or alley within 24 hours after collection.
- Containers other than disposable types shall not exceed 40 gallons.

In the event trash is not in place for removal prior to sanitation crews completing pick up, crews will return for 1 pick up per calendar year at no cost. Additional return service for late pickup will be charged \$9.49 per return.

Holiday Schedule

Trash collection will be the Monday before the holiday, except for the Friday after Thanksgiving when trash will be collected the following Monday.
