You are receiving this proposal as either you have previously worked on one or more of the City street projects and/ or your firm has expressed an interest within doing work with the City for similar type projects. Also, you might have been on a list of companies in which we have looked to direct solicit for this work as you have or are doing similar type work in the area.

Separate sealed bids for 2012 Street Striping Program will be received until 10:00 A.M. on Wednesday, May 30, 2012 at the City Clerk's Office, 700 N. Jefferson, Junction City, KS 66441.

Please note the City has in place through our Fiscal Policy, a Local Vendor Preference clause which provides for a 3% differential on bids received from local businesses (See Attached).
