**RE: Notice to Property/Business Owners
2013 Street Maintenance Junction City, Kansas (Micro Surfacing)**

To whom it may concern:

This notice is being delivered to inform property/ business owners of the City's Street Maintenance Program for the work along 6th Street in the coming weeks. The City will be looking at micro surfacing along 6th Street from Eisenhower to Franklin, while maintaining traffic. The Contractor, Vance Brothers, Inc. is looking at the following schedule:

June 5th - Eisenhower to Jackson will be completed

June 6th - Jackson to Franklin will be completed

Work in these areas will progress throughout the day and the Contractor will limit entrance interruptions by scheduling the work on the outside lanes after normal working hours. Delays in and out of businesses will be kept to a minimum. It may be necessary for the Contractor to work late into the evening.

If you have any questions or concerns, please contact Ron Johnson, Kaw Valley Engineering at (785)762-5040 or the City of Junction City Engineering Department at (785) 238-3103.

We would like to thank you for your cooperation in allowing us to improve your streets.

Sincerely,

Leon D. Osbourn, P.E., R.L.S.
President
